Dear Friend:

I have been expecting to hear from you each day, as you told me in your last letter you had an appointment for Feb. 7th with the folks about the ballpark. As I have not heard from you to date, I decided to write and ask you to let me know something, as our league is meeting in New York Feb. 20th, and I want to have some idea where I may be able to play. I may be able to get together with some of the members on some games.

If you were not successful in getting Plant Field, let me know about the other park. I would like to know what dates we can come to Tampa. To date I have not closed on any dates at all.

I want to tell you also I have heard from Rufus Lewis. He wrote a very intelligent letter, and I have answered him. I am looking for an answer any day now.

Please let me hear from you right away. I know you can understand my anxiety.

Very Truly Yours
